

UNIVERSITY OF MISSISSIPPI SCHOOL OF PHARMACY
ADVANCED PHARMACY PRACTICE EXPERIENCES

Student: _____ Date: ___/___/___ Rotation Type: **AMBULATORY CARE** Rotation #

Preceptor: _____ Preceptor Signature: _____

APPE Ambulatory Care PRCT 587 Public Health Activity

Directions: Based on your rotation site, complete questions below with the help of your preceptor.

Identify a common preventable health problem that is seen frequently at your rotation site. (Question 1 of 4 - Mandatory)

What are some commonly asked questions about that health problem? (Question 2 of 4 - Mandatory)

Using information above, prepare a handout, flyer, bulletin board display, or another creative project for your rotation site based on answers above. Identify appropriate strategies for marketing your information. Provide a description of your public health awareness activity below. (Question 3 of 4 - Mandatory)

If possible, participate in a public health awareness screening event. Document your role in the event below by describing marketing of the event, when and where the event took place, the screenings provided, your individual role, and the number of participants. What are three things that you learned as a result of the event? (Question 4 of 4)

Review your answers in this evaluation. If you are satisfied with the evaluation, click the SUBMIT button below. Once submitted, evaluations are no longer available for you to make further changes.
