APPE Community PRCT 553 Novel Pharmacy Plan

Directions: Answer the following questions about the following pharmacy scenarios.

Suppose you wanted to start your own independent pharmacy. What legal and regulatory steps would you take initially before and after the purchase? Describe a brief plan of action for such a transaction. (Question 1 of 6 - Mandatory)

What are the regulations on transferring inventory and patient files? If not transferring, how would you build your business? (Question 2 of 6 - Mandatory)

Suppose you wanted to become a Pharmacy Manager or Pharmacist in Charge (PIC) of a chain drugstore. What are the additional responsibilities involved in such a position? Are there any legal or regulatory steps required to move into such a role? (Question 3 of 6 - Mandatory)

What are the responsibilities of a Pharmacy District Manager or District Supervisor in a chain drug store? (Question 4 of 6 - Mandatory)

How is accounting and payroll handled at your site? How often are pharmacists and other employees paid? (Question 5 of 6 - Mandatory)

What are advantages and disadvantages to independent and chain community pharmacy practices? (Question 6 of 6 - Mandatory)
