Student: _____ Date: ___/___/___ Rotation Type: **INSTITUTIONAL** Rotation #

Preceptor: _____ Preceptor Signature: _____

APPE Institutional PRCT 554 Medication Administration Exercise

Directions: While on your rotation, observe or participate directly in the medication administration process where permitted. Answer the following questions.

Are pharmacists a part of the medication administration process in any area of the hospital, and if so, how? (Question 1 of 5 - Mandatory)

What processes are in place within the institution to ensure the safety of medication administration? (Question 2 of 5 - Mandatory)

What is a "high alert medication"? List five different drugs that considered high alert medications. (Question 3 of 5 - Mandatory)

Describe what is known as the "medication pass" in a hospital setting. (Question 4 of 5 - Mandatory)

Interact with a pharmacist or nurse and follow him/her as she administers medications. Record your observations. Is he/she aware of the seven RIGHTS? What are they? (Question 5 of 5 - Mandatory)
