APPE Notes

July 4 - Independence Day

Independence Day is recognized by the University as a school holiday and students will not be reporting to rotations on this day. Rotations will resume the following day, July 5th.

August 6 - PY4 Career Workshop

PY4 students will be attending an all day career workshop in Jackson on August 6th and will not be reporting to rotations on this day. The first day for Rotation 3 will begin the following day, August 7th.

IPPE Notes

PY3 Students will be joining us in Jackson for orientation August 8-10. We are working on their rotation schedules for Block I and plan to have those schedules completed and sent out by the first week of August.

Block I Weeks

August 20 - 24, 2012

August 27 - 31, 2012

September 10 - 14, 2012

September 17 - 21, 2012

September 24 - 28, 2012

A Note On Accreditation

Ole Miss School of Pharmacy Family,

I am pleased to share with you great news from the June, 2012 ACPE Board of Directors meeting regarding our accreditation site visit this past March. The Board approved the School of Pharmacy for the full eight year accreditation term through June 30, 2020. In all, we received nine commendations and meet all 30 standards. Clearly, the work completed for the self-study process under the superb leadership of Dean Emeritus Barbara Wells was stellar laying the foundation for a great site visit in March. This phenomenal outcome confirms that we are doing great things at Ole Miss!

I want to express my sincere appreciation to everyone who

was involved in the self-study process as well as the preparation and execution of the site visit in March. These tremendous results are something about which we should all be very, very proud!

Congrats to all!

David D. Allen, R.Ph., Ph.D.,

E*Value's New Look

In last month's RxPEP Talk we mentioned the coming visual changes to the E*Value system. The transition over to the new layout occurred June 11th and appears to have been a success so far.

The new format features buttons that are designed to allow for easier navigation in the site from the user's perspective.

We have been working on a new version of the Preceptor's

Guide to E*Value and will be emailing that out next week. The guide will cover all possible angles of use for the site from a preceptor's point-of-view with the new format changes that have been implemented.

Please feel free at any time to contact our office by phone or email if you have any questions regarding E*Value and using the new layout.
