Tripartite Committee Meets

The Tripartite Committee (SOP, BOP, and Pharmacy Organizations) met October 4th. The committee reviewed current preceptors and sites, and examined applications from new preceptors and sites.

Catalog Coming Soon

We are currently working on a new rotation catalog resource to better acquaint students with preceptors and sites.

During this past year's Preceptor Conference we gathered information during the breakout sessions and are in the process of taking your answers and incorporating them into our new catalog about you and your

site.

We will be sending out forms for those of you whom we do not have information so please be expecting that.

In addition to that info, we would like to incorporate photos of your site. If you would like for us to include a photo for your site please email us at rmetzger@umc.edu.
