Directions: If your rotation includes team rounding opportunities, answer all of the following questions. If no rounding occurs on your rotation, answer only the last two questions.

Who were the members of the rounding team and each of their specialty areas (nurse, pharmacist, M3, M4, resident, attending, etc):

Approximately how many patients did the team see:

Approximately how long did the rounding last:

How many days per week do the team "round":

What was the format for the “rounds” (i.e. walking, sitting, etc)

What is the role of the pharmacist on your rotation:

Describe the interaction between you and the other health professionals on your rotation:
