Student: _____ Date: ___/___/___ Rotation Type: **INSTITUTIONAL** Rotation #

Preceptor: _____ Preceptor Signature: _____

APPE Institutional PRCT 554 Continuity of Care Exercise

Directions: Answer the following questions related to continuity of care at your rotation site.

What does the term "continuity of care" mean as related to patients in the hospital? (Question 1 of 5 - Mandatory)

Why is continuity of care important? (Question 2 of 5 - Mandatory)

How is continuity of care different for patients with varying conditions (acute, chronic, terminal, etc.)? (Question 3 of 5 - Mandatory)

What methods are employed at your site to promote continuity of care? (Question 4 of 5 - Mandatory)

Select a patient and describe in detail the number of individuals and their respective roles involved in the patient's care while in the hospital (e.g., number of physicians, nurses, pharmacists, technicians, therapists, social work, etc). Who is primarily responsible for ensuring continuity of care upon discharge? (Question 5 of 5 - Mandatory)
