## APPE Notes

### Welcome the Pharm.D. Class of 2017

#### July 4 - Independence Day

Independence Day is recognized by the University as a school holiday, and students will not be reporting to rotations on July 4<sup>th</sup> in observance of the holiday. Rotation 2 will begin on Tuesday, July 5<sup>th</sup>.

#### Student Introduction Form

Starting in the Spring semester (January 2017) we will begin piloting the use of a Student Introduction Form. As discussed at Preceptor Conference, this is a form that the student will fill out and submit to their preceptor prior to the start of their rotation. This form will include information on previous rotations the student has completed and some background on their past experiences and things they are passionate about in pharmacy. In the coming months, we will be sending out more information about this form and its incorporation into the rotation experience.

## IPPE Notes

**PY1** students recently finished up their Institutional I rotations that concluded this week on May 27<sup>th</sup>.

Some **PY2** students have completed their Community II rotations and the remaining will finish up on June 10<sup>th</sup>.

Thank you for making these introductory experiences possible for our PY1 and PY2 students as they get some of their first looks at pharmacy practice.

## Preceptors of the Year

The graduating PY4 class of 2016 recently participated in the APPE and IPPE Preceptor of the Year award process.

Dr. Laurie Fleming was selected as this year's recipient of the APPE Preceptor of the Year. Dr. Tripp Dixon was selected as the IPPE Preceptor of the Year.

The selections were announced at Preceptor Conference and both were also honored during Awards Day held on April 22<sup>nd</sup> on the Oxford campus.

Dr. Fleming serves as a preceptor at the University of Mississippi School of Pharmacy in Jackson. Dr. Dixon serves as a preceptor at Mississippi Baptist Medical Center in Jackson

Please join us in congratulating Laurie and Tripp for this special recognition.

## Preceptor Resources

The School of Pharmacy provides access to *Pharmacist's Letter*, *Access Pharmacy* and *APhA Pharmacy Library* for all of our preceptors.

*Pharmacist's Letter* has a Preceptor Training and Resource Network that can help you further your skills as a preceptor and gain further knowledge in all areas of introductory and advanced practice experiences.

*Access Pharmacy* offers fully integrated drug information, editorial reviews on recent clinical trials and case and care studies with interactive training.

*APhA Pharmacy Library* offers APhA's leading pharmacy practice resources online, including active learning exercises, the newest edition of the *Handbook of Nonprescription Drugs*, *The APhA Complete Review for Pharmacy and Medication Errors*.

For more information on how you can access these programs please refer to your PEP Manual, which can be accessed via our website that is listed at the bottom of the page.
