APPE Evaluation Refresher

As a reminder here are the most important things that we are looking for preceptors to have completed by the end of the APPE rotation:

Midpoint Evaluation

This evaluation is sent mid-way through the rotation and is a simple 2 question evaluation about your student's performance thus far on the rotation.

Preceptor Transcript Review

During the rotation students submit comments and provide samples of their work into their student transcripts. At the end of the rotation you have a chance to review the transcripts and optionally provide any additional comments.

Final Evaluation

Finally, at the end of the rotation you will need to submit the Final Evaluation of your student based on his or her performance throughout the rotation.

Please feel free to contact us at any time with any questions you may have about completing evaluations.

SNAPSHOT

CORNER

The 2016 Preceptor Conference held at the MS Sports Hall of Fame and Museum, on April 13th, was a big success with one our largest turnouts ever. Thank you to all those that attended and participated. We look forward to seeing everybody again next spring!
