**APPE Institutional PRCT 554 Practice Advancement Initiative Exercise**

Directions: With assistance from your preceptor, determine if they are familiar with the American Society of Health-System Pharmacists Practice Advancement Initiative (PAI). Explore the PAI website to familiarize yourself with the history of the PAI and how it hopes to empower pharmacists. Discuss the following questions with your preceptor to demonstrate your knowledge of the PAI:

How and why does the PAI seek to empower pharmacists? (Question 1 of 8 - Mandatory)

Look over the barriers of PAI? Which do you feel is most likely to occur at your rotation site? (Question 2 of 8- Mandatory)

What recommendations of the PAI do you see that would be most feasible to implement at your facility? Describe how would this help to empower pharmacists at the facility to best impact patient care? (Question 3 of 8 - Mandatory)

What is the Hospital Self Assessment? Has your facility completed the Hospital Self Assessment? If yes, how were the findings applied to the facility? If no, why not? (Question 4 of 8 - Mandatory)

Discuss the advantages of completing the Hospital Self Assessment at your rotation site. Would your preceptor like assistance from you with completing the Hospital Self Assessment? (Question 5 of 8 – Mandatory)

Identify which PAI recommendation is most important to you as a student pharmacist. Identify how the PAI may impact your future as a pharmacist. (Question 6 of 8 - Mandatory)

Identify the 5 pillars of PAI. Give an example of how one of these could improve the future of pharmacists. (Question 7 of 8 - Mandatory)

Does your institution have associated outpatient medical clinics? If so, what advantages may they gain from completing the ambulatory care self-assessment? (Question 8 of 8 – Mandatory)

Review your answers in this evaluation. If you are satisfied with the evaluation, click the SUBMIT button below. Once submitted, evaluations are no longer available for you to make further changes.
