IPPE III Elective Planning

We are beginning to collect preceptor availabilities for the IPPE III Elective experience that has moved to the Fall semester this year. Previously this rotation was held during the Spring semester. This rotation is open to all preceptors and practice areas and we hope that you will participate. The rotation will be September 4-7th.

We ask that you either fax the calendars back to our offices at 601-815-1160 or scan and email the calendar to Krissy Gilbert (kgilbert@umc.edu).

Once we have collected all of the calendars, we will be able to go in to E*Value and open up preferences for PY3 students to make their selections for the rotation.

In the event that your schedule does change at any point in the coming year, please feel free to contact us so that we may adjust your availability accordingly.

We know that your time is valuable, and we greatly appreciate the time that you dedicate to experiential education for students.

APPE Notes

July 4 - Independence Day
Independence Day is recognized by the University as a school holiday, and students will not be reporting to rotations on July 4th in observance of the holiday. Rotation 3 will resume on Thursday, July 5th.

Final Evaluation of Students
In order for us to comply with new University term deadlines, please try to submit grades as close to the end of rotations as possible.

IPPE Notes

PY1 students recently finished up their Institutional I rotations that concluded last week on May 26th.

Some **PY2** students have completed their Community II rotations and the remaining will finish up on June 8th.

Thank you for making these introductory experiences possible for our PY1 and PY2 students as they get some of their first looks at pharmacy practice.

SNAPSHOT

CORNER

The 2018-19 APPE rotation schedule is underway as we have just completed Rotation 1 for the month of May. Pictured above, PY4 students Kathleen Lovelace, Cain Young, Reagen Rutledge, and Meghan Wagner recently completed their first APPE rotations at Merit Health Central in Jackson with preceptors Webb Willmott and Khalid Mokhtar.
