WELCOME!

Dr. Leigh Ann Ross

Associate Dean for Clinical Affairs

Welcome to the School of Pharmacy Medical Center Campus!

This is an exciting time as you transition to Jackson to complete the last two years of Pharmacy School! I am delighted to welcome you to our campus. The last year has been a challenging one for all and we applaud your hard work, dedication, and accomplishments. As the Class of 2022, you have many new experiences ahead during your final two years and we look forward to sharing those with you.

This manual provides an introduction to the University of Mississippi Medical Center (UMMC) and our School on this campus. UMMC is our state's only academic medical center. While at UMMC, you will hear that we are "striving for our ultimate goal of a healthier Mississippi." That is truly our goal and one way we achieve this is by training future health professionals, such as you. UMMC has over 10,000 employees who, in addition to education, provide vital clinical services and lead cutting-edge research. During your third and fourth professional years, you will have the opportunity to apply your knowledge and skills through course work, to participate in direct patient care in clinical environments, to work on collaborative teams through Interprofessional Education, to be involved in innovative research, and to improve the lives of others through service activities.

The School of Pharmacy on the Medical Center campus includes School of Pharmacy administration, Department of Pharmacy Practice faculty and staff, the Division of Pharmacy Professional Development, and the Center for Clinical and Translational Science. Our residency programs are also administered on this campus. You will have the opportunity to work

with individuals in all of these areas, as well as with many people outside the School of Pharmacy. It is our hope that these interactions will enrich your education and help you develop professionally.

This transition brings many changes, not only in your location but also in the opportunities you will have. I want to assure you that I, along with our School of Pharmacy team in Jackson, am here to help make this transition a positive experience. We care about you and we want you to be successful! During your time here I encourage you to study hard, but to also make the most of this time by participating in professional, social, and service activities. Many of these opportunities are outlined in this manual.

Wishing you all the best during your time here at UMMC!

Leigh Ann Ross

WELCOME!

Dr. Seena L. Haines

Chair, Department of Pharmacy Practice

The faculty and staff in Jackson are all members of the Department of Pharmacy Practice, which is the largest of the four academic departments in the School of Pharmacy. Pharmacy Practice has approximately 35 full-time faculty members. We also have approximately 445 preceptors at 200 sites who provide high-quality Introductory Pharmacy Practice Experiences and Advanced Pharmacy Practice Experiences in the PY3 and PY4 years.

Our faculty are committed to providing you the very best education. In addition to teaching, our faculty are very involved in the service and research missions of the School of Pharmacy. Outside of traditional

service to the school and University through committee work, Pharmacy Practice faculty provide direct patient care services in institutional, ambulatory, community settings across the continuum of care and a number have obtained board certification in their clinical area of expertise. Pharmacy Practice faculty are leaders in pharmacy and many hold elected offices in our state, national, and international pharmacy organizations. They also are involved in research and scholarship related to basic science, clinical, and community-based research. I encourage you to reach out to faculty who share your area(s) of interest. They may provide opportunities outside of class to be involved in service and research activities or serve as a mentor as you contemplate future career pathways.

Your time on the Jackson campus will provide your continued professional and personal growth. The faculty are here to guide your educational experience and foster your dedication to learning. As you continue your early and advanced practice experiences, you are also building your career reputation! Much effort will be focused on acclimating to a new environment, adapting to new teaching styles and expectations, applying classroom-derived knowledge to the clinical setting, and developing confidence in caring for patients.

A handwritten signature in black ink that reads "Seena L. Haines". The signature is written in a cursive, flowing style.

YOU ARE HERE

Believe it or not, there's a reason our program has a split campus. You get to experience the best of both cities. While Jackson doesn't have the Grove or the Square, it does have a lot of opportunities for health care professionals. With our SOP building located in the heart of the academic area on UMMC's campus, you'll see students from the Dental School, Medical School, Nursing

School, Graduate School, School of Health-Related Professions (SHRP, aka "sharp"), and School of Population Health every day. We are also within walking distance of the only Level 1 Trauma hospital, the only children's hospital in the state, and the home of the first lung transplant. There is always something exciting going on at UMMC, so take advantage of your time here.

TRANSPORTATION & PARKING

As a student, you can park in the Mississippi Veterans Memorial Stadium parking lot across from the campus on North State Street at no charge. While many students walk, a free shuttle is available to drop you off right in front of the SHRP Building (Shuttle Stop 15), a parking lot away from the Pharmacy School. Current shuttle bus hours, routes, parking zones, and shuttle tracker information are posted at umc.edu/shuttle. Many students park and ride the Gold Line shuttle. A second option would be the Red Line shuttle, both will drop you off at the same location (Shuttle Stop 15). Whether you are walking or riding the shuttle, make sure you prepare. The easiest times to get a good parking spot in the Stadium lot are before 8 am and late afternoon. If you arrive between those times, you will likely have to park farther back in the north overflow parking lot. If you need to go to the parking lot after hours, you can call Campus Police at 984-1360 to arrange an escort and transportation. Campus Police patrol student parking lots but it is recommended to keep bags in trunks. Students requesting parking accommodations should speak with Dr. Katie McClendon. Although the visitors' parking garages and lots may be tempting, cars parked illegally on campus may be ticketed or towed at your expense and any student who violates Medical Center parking policies is subject to disciplinary action. After hours (5:00 – 11:00 pm) and on weekends, you may park your car in front of the SOP building or in Lot 21 with parking approval. Instructions will be provided later.

If you'd like to ride your bicycle to campus, there's a bike rack right in front of the School of Pharmacy building.

UMMC's Student Services

Rowland Medical Library (RML)

Named in honor of Dr. Peter Rowland, a former professor of pharmacology, the library serves all Medical Center schools and programs. All library operations are fully automated and provide access to the online catalog of library holdings and several bibliographic and reference databases such as MEDLINE/PubMed, CINAHL, and Embase. It contains more than 237,735 print volumes and receives 2,403 current periodicals and serial publications. It has copiers/printers/scanners and SOP students have 5000 free pages of printing there. The library has plenty of newly renovated study space. If you'd prefer to study from home, you can also access online resources by installing CISCO VPN AnyConnect Client at vpn.umc.edu (skip step 1 about obtaining an access account).

<https://www.umc.edu/library/>

Staffed hours - Monday - Friday, 7:00 am - 4:30 pm

First Floor - 24/7/365

Second Floor - Monday - Friday, 7:00am - 4:00 pm

Student Union

We are very lucky to be right across from the Norman C. Nelson Student Union where you'll find the campus bookstore, a food court, a gymnasium (full-sized basketball court, locker rooms, showers, indoor walking/running tracks, aerobics/weightlifting rooms), the student lounge, a TV room, study rooms, several conference rooms, and the ASB suite. If the Ole Miss Student Union was combined with the Turner Center and then shrunk into a building the size of TCRC, then you'd have UMMC's Student Union. Hours are available at <https://www.umc.edu/studentunion/>.

Postal Service

The Post Office, room N019, is in the basement of the "old" UMMC hospital. It is open from 10am to 3:30pm, Monday through Friday, and offers all standard services including registered and insured mail and money orders. There is also a FedEx dropbox.

Badges/IDs

Each student will be issued a UMMC identification badge during Orientation in August with a photograph. It is to be worn at all times while on campus or in any clinical setting. It can be used for check cashing in the bookstore, library checkouts, security identification purposes, a discount in the cafeteria, and access into certain areas of the Medical Center – including the SOP. You may also use your badge for class attendance. Make sure you don't lose your badge or you'll have to pay ~\$25 to replace it.

Notary Public

If you should need to have something notarized, Mr. Robert Metzger is a notary public. Mr. Metzger is located in Room PH 118.

UMMC'S STUDENT SERVICES

ACADEMIC SUPPORT

The Office of Academic Support provides the following University of Mississippi Medical Center support services.

Academic Consulting Services.

Academic Consulting Services are available to students, residents and fellows at the University of Mississippi Medical Center. Academic consultants meet individually with learners and provide assistance with developing the skills and behaviors that are essential to academic success and professional development (e.g., time management, study skills, and testing strategies). To make an appointment, complete the Request Academic Consultation online form. http://www.umc.edu/academic_consulting/

Academic Success Kiosk. The Academic Success Kiosk (ASK) is an online, self-paced resource available to students at the University of Mississippi Medical Center. ASK addresses time management, study skills, and professionalism. To register, complete the Register for ASK online form. <http://www.umc.edu/ASK/>

University Tutoring Services. University Tutoring Services is a peer tutoring program available to students experiencing academic difficulty who are currently enrolled in the University of Mississippi Medical Center. Supportive instruction is provided by peers with similar educational backgrounds. To request tutoring, complete the Request Tutoring online form. http://www.umc.edu/University_Tutoring/

Writing Support Services. Writing Support Services are available to students at the University of Mississippi Medical Center. Writing coaches are available to assist students with assigned coursework and papers. The goal is to add value to the educational experience through writing critique and support. To request writing support, complete the Request Writing Support online form. http://www.umc.edu/writing_services/

External Resources. The Office of Academic Support provides links to multiple external resources for additional information regarding study strategies and academic effectiveness. <https://www.umc.edu/Office%20of%20Academic%20Affairs/For-Students/Academic%20Support/External-Resources.html>

Academic Accommodations. The Office of Academic Support manages academic accommodations at the University of Mississippi Medical Center. Students in the School of Pharmacy should apply for academic accommodations through the University of Mississippi, Oxford Campus. http://www.umc.edu/Academic_Accommodations/

UMMC'S ASSOCIATED STUDENT BODY

UMMC's ASB is historically very active but currently has been impacted by Covid-19 restrictions. The ASB is known for great parties; our students go all out for these parties - especially Halloween. Trust me, you'll want to take the night off for these events! The Claus Ball and the Masquerade Ball are the annual formal events ("cocktail attire"). Parties are often held at Hal & Mal's. In addition to all the parties, there are opportunities to get free tickets to the symphony, the Mississippi Braves, plays, movies, the zoo, etc. The ASB also offers intramural sports leagues throughout the year. More information can be found at their website: www.imleagues.com/UMMC, and event information for each school can be found at <https://sites.google.com/site/ummcstudents/ummc-asb-calendar>. Follow UMMC ASB on Instagram at [ummc_asb](https://www.instagram.com/ummc_asb) to keep up with events, intramurals, and philanthropic opportunities. In addition to parties, ASB participates in many philanthropic events such as canned food drives, "Be the Match" bone marrow drive, and Spooky U.

UMMC's ASB is comprised of four Executive officers: President, VP, Secretary, and Treasurer. These officers are elected by the student body, and individuals from each program at UMMC are encouraged to run for these positions. There are also appointees who serve on the ASB. The ASB president appoints UMMC students to these positions at his/her discretion. Currently, there are a number of people serving in this capacity, including intramural chair, *Murmur* Editor, *Medic* Editor, philanthropy chairs, diversity and inclusion chairs, public relations chair, interprofessional education chairs, school cup chair, wellness chairs, alumni affairs liaison chairs, and mentoring chairs. These positions can be filled by UMMC stu-

dents at-large (i.e. no current association with the ASB) or by current ASB members. Presidents from each school serve on ASB, and all students are invited to attend monthly ASB meetings held at the Union on the first Monday of the month. ASB members also attend monthly lunches with the Vice Chancellor, in addition to selected class officers.

The ASB is always very welcoming of pharmacy students, so you won't feel like a visitor at UMMC! In the past, pharmacy students have held positions such as Secretary, School Cup Chair, Philanthropy Chair, and Wellness Committee Chair. We encour-

Make time for fun!

February	Masquerade Ball
March	Trivia Night
April	Spring Bash
	Crawfish Boil
May	MS Braves Game

& MORE!!!

COMMUNITY SERVICE

Although you will be quite busy as a PY3, there is still time to stay involved. There are several extracurricular events that will offer you the chance to get involved on campus and in the greater Jackson community. From 5Ks and health fairs to crafting activities, Jackson truly does offer something to fit most anyone's interests.

There are ample opportunities to keep your professional skill set sharp. Several organizations offer health fairs around the Jackson-area as well as vaccination drives. The largest (pre-Covid-19) vaccination drive is the UMMC Flu Blitz where over a thousand students, faculty, and staff are given free flu shots in one day.

The Jackson Free Clinic (JFC) and Caring Hands Clinic are both great ways to put what you are learning into action. The JFC is operated by medical, pharmacy, OT/PT, and dental students. The JFC provides free healthcare to the uninsured population of Jackson and is open Saturdays from 11am-6 pm. Pharmacy students have the opportunity to participate in teams with interns and medical students to determine the best options for patient care. Caring Hands is operated by several local churches to provide free healthcare to the citizens of Jackson. Pharmacy students help run the pharmacy and counsel patients on their prescriptions. Caring Hands is open the third Thursday of every month from 5pm-9pm. Both of these clinics serve patients that don't otherwise have access to health care.

Typical Events:

- March of Dimes
- Spooky U
- Walk to End Alzheimer's
- Jackson Free Clinic
- Caring Hands Clinic
- Ronald McDonald House
- UMMC Flu Blitz
- UMMC Day of Service
- Arts and Crafts with Batson
- Dental Mission Week
- Children's Hospital

Spooky U is a Trunk-or-Treat event sponsored by the Medical Student Family Alliance (MSFA) each October for the families of UMMC staff and students. This event benefits Mustard Seed. Students from different schools and organizations choose a theme, come in costume, and set up booths including games and prizes. There are also costume contests, food, music, and prizes. Each year the School of Pharmacy participates with a tent, games, and lots of candy and is often voted best booth.

Some student organizations visit Batson Children's Hospital during different holidays. Last year students went "reverse trick-or-treating" to give hospitalized children a fun Halloween experience. In February they have also helped children make valentines and held an Easter Egg Hunt in the spring.

About once-a-month organizations have helped host dinner for the families at Ronald McDonald House on campus. Organizations either sign up to donate a meal or agree to help do needed chores around the house.

ASB hosts the UMMC Day of Service held on Martin Luther King Jr. Day in January. While very similar to "The Big Event" held in Oxford, students volunteer in groups around the Jackson community. The Day of Service started four years ago. It is a great way to serve with other UMMC schools.

The two Jackson community service chairs organize several events that offer opportunities in which all student body members are invited to participate.

As previously noted, these are just a few of the opportunities available. Remember that there is a lot to do in Jackson, so do your best to pace yourself and try to stay involved.

Be a part of your new community!

ORGANIZATIONS & OPPORTUNITIES

While in Jackson you will have the opportunity to get involved in many different programs. Activities and events change year to year but here are some unique opportunities to the Jackson area that you wouldn't have the chance to participate otherwise. You're encouraged to get involved in some of these local organizations and network with pharmacists from all over the state. Below are a few highlights of organizations in Jackson.

Students of the University of Mississippi School of Pharmacy are given free membership to MPhA (MS Pharmacists Association). As a member, you will have the opportunity to serve on one of their committees, gain valuable leadership insight, and network with pharmacists from all over the state. If you are interested in legislative advocacy, MPhA is a great place to get involved. You can volunteer to serve on the governmental affairs committee and help shape what the future of pharmacy will be. Also through MPhA you may have the opportunity to go to the MPhA Annual Convention held in New Orleans in June. At this convention, you are able to attend CE events and network with pharmacists from across the state.

MSHP (MS Society of Health System Pharmacists) hold their annual convention each summer in July. At this meeting, you also have the chance to network with pharmacists from all over the state and present research that you have worked on while in school. This is a great opportunity if you are looking into doing a residency.

Other organizations participate in various events throughout the year as well. CPFI host prayer breakfasts. Students have an opportunity to fellowship with classmates and a chance to interact with some of your facilitators outside of the classroom. ASHP-SSHP along with Pedia Rebs (Pediatric Pharmacy Advocacy Group) are quite involved with projects benefitting Batson Children's Hospital as well as other opportunities for health education targeted for children. UMAC-SOP (University of Mississippi Advocacy Committee) promotes pharmacy advocacy and is heavily involved with Capitol Day. Rho Chi sponsors Research Day each year. Phi Lambda Sigma hosts an annual Leadership Retreat and the Awards Ceremony in Oxford. SCCP hosts mock interviews to prepare students for residency and pharmacy job interviews, as well as the ACCP Clinical Pharmacy Challenge. It also hosts the SCCP Research Symposium in Jackson. SNPhA provides health screenings in the Jackson area and ACVP is planning to go to the New Orleans Zoo this spring. Our professional fraternities are involved in community service and social activities. Kappa Psi typically hosts a crawfish boil in the spring for members.

Additionally, organizations may take turns hosting days at Jackson Free Clinic and Ronald McDonald House throughout the semester. These are just a few examples of organizations and opportunities that are available to you. All of our organizations are active and are always finding a way to make a difference. Get involved as soon as you can!

RESEARCH OPPORTUNITIES

INTERESTED IN RESEARCH? FIND A MENTOR

As in Oxford, students in Jackson will have a number of opportunities to obtain research experience. These opportunities on the UMMC campus can assist in career pursuits following graduation. Faculty in Jackson engage in clinical, basic science, and translational research. Where basic science research can focus on drug development, clinical research can aim to determine a drug's place in therapy or use in a particular population. Translational research is the connection between basic and clinical research and can also include applying clinical studies to patients in the community.

Students are encouraged to seek opportunities to participate in research in a variety of areas and across patient populations in the continuum of care. There are many ways to develop research skills by developing research protocols, collecting and analyzing data, presenting research at national conventions, and authoring manuscripts for publication. Students should speak with full and part-time faculty members that share their same research interests. Faculty members often have projects in progress that students can work on, present, and potentially publish.

PRACTICE EXPERIENCES

During P3 Orientation and throughout the year, the experiential programs staff will meet with the class to discuss information related to rotations. At the beginning of the P3 year, upon request, our experiential programs staff will meet with you individually to discuss your specific interests in order to plan your Advanced Pharmacy Practice Experiences (APPE) during your P4 year. At the beginning of the spring semester, you will have the opportunity to begin entering preferences for your P4 APPE rotations.

Throughout the P3 year you will complete 5 IPPE rotations – four (4) longitudinally throughout the year and one (1) week-long elective rotation. During each longitudinal rotation you will report to your rotation site for 4 hours per week over 5 select weeks either in the institutional, ambulatory, community or specialty pharmacy settings. These are great opportunities to apply your clinical knowledge and to learn about different practice sites before you start your APPEs.

It is important to take advantage of these opportunities as student pharmacists to learn about unique practice sites and to refine your interests. You will be a pharmacist before you know it, so it is important that you explore your options and network throughout the vast pharmacy community. Keeping that in mind, it is in your best interest to treat each rotation like an interview. Remember that you only have one chance to make a good first impression.

RENTING IN JACKSON

UMMC Off-Campus Housing Service, <https://offcampushousing.umc.edu/> - UMMC provides students a free service to help locate housing close to campus. UMMC, property managers, and students work together to simplify the search for renting off-campus apartments, rooms, and houses as well as roommates, furniture, and carpools. This site also links to resources such as sample leases, safety checklists, roommate agreements, utility setup, public transportation, and local governments.

General Info:

- Start early to get on waiting lists at complex, but most will not confirm until summer.
- Most apartments have washer/dryer connections; many offer rentals for an additional fee.
- **ASK FOR UMMC STUDENT DISCOUNTS!!!** Also, you can get discounts if someone (friend, other pharmacy student, etc.) referred you to apartment.
- Multiple houses in this area are rented by UMMC and/or MC Law students. From February to May, medical students will be looking to sell/lease houses as they leave for residencies. Some houses aren't even listed, so it is helpful to just drive through neighborhoods to see what is available.
- Apartment Guide available at: <http://www.apartmentguide.com/>

FONDREN/EASTOVER (*artsy, very laid back area; UMMC is located in the Fondren area*)

The District Lofts at Eastover

- 1254 Eastover Drive Jackson, MS—Located on the east side of I-55.
- 1, 2, and 3 bedrooms
- Covered parking, saltwater pool, outdoor kitchen, pet friendly, washer/dryer
- <http://www.thedistrictloftsateastover.net/>

The Meridian

- 802 Lakeland Drive, Jackson, MS -Located across the street from UMMC.
- Studio, 1, 2, and 3 bedrooms
- Garage parking, washer/dryer, saltwater pool, outdoor kitchen, pet friendly
- <http://www.meridianatfondren.com/>

Vieux Carre Apartments

- 3975 Interstate 55 North Frontage Road, Jackson, MS—at the intersection of Eastover Dr. and I-55 , approximately 5 minutes from UMMC
- 1, 2, and 3 bedrooms
- laundry facility onsite, no pets
- <http://www.vcarre.com/>

BELHAVEN: (*very artsy; surrounding Belhaven College and near Baptist Hospital*). Contact Neham Properties: <http://www.nejamproperties.com/>

Belhaven Place

- 1315 North Jefferson, Jackson, MS - approximately 5 minutes from UMMC
- 1 bedroom/1 bath, 2 bedrooms/ 1 bath, and 2 bedrooms/1.5 bath
- Gated, water included in rent, laundry facility, no pets
- <http://www.johnrlewisrealestate.com/>

FLOWOOD: About 4 miles down LAKELAND DRIVE. Keep in mind that traffic on Lakeland can be heavy around 8am and 5pm—make adjustments to drive-time!

Shadow Lake

- 150 Park Circle Drive, Flowood, MS (Across from Primos on Lakeland)
- Approximately 10 minutes from UMMC
- 2 bedrooms/1 bath and 2 bedrooms/2 bath
- Gated, free cable, washer/dryer connections, pet friendly with pet park,
- Ask for UMMC discount
- <https://www.apartmentguide.com/apartments/Mississippi/Flowood/Shadow-Lake-of-Flowood/169739/>

Cypress Pointe

- 1227 Pin Oak Drive, Flowood, MS (Behind Jackson Prep; sister complex to Shadow Lake; Cypress Pointe is just a little newer)
- Approximately 15 minutes from UMMC
- Spacious 1 bedroom, 2 bedrooms/ 1 bath, and 2 bedrooms/2 bath
- Gated, washer/dryer connections, pet friendly
- Ask for UMMC discount
- <http://www.cypresspointeflowood.com>

Reflection Pointe

- 2945 Layfair Drive, Flowood, MS (Just off Lakeland Drive, close Flowood option to UMMC)
- Approximately 10-20 minutes from UMC depending on traffic
- 1 and 2 bedroom
- Fireplaces in select units, washer/dryer connections, pet friendly, covered parking available
- <http://www.maac.com/mississippi/jackson/reflection-pointe/>

Ashford Place

- 5201 Lakeland Drive, Flowood, MS (Across from Best Buy/PetSmart in Dogwood)
- Approximately 15-20 minutes from UMMC (allow extra time for traffic)
- 1, 2, and 3 bedrooms
- Gated, carwash station, washer/dryer connections, garages available, outdoor kitchen area, pet friendly
- <http://www.flowoodapartments.com/>

Laurel Park Apartments

- 4701 Lakeland Drive, Flowood, MS
- Only about 15-20 minute drive to UMMC (allow extra time for traffic)
- 1 bedroom, 2 bedrooms/1 bath, 2 bedrooms/2 bath
- Gated, washer/dryer connections, pet friendly
- <http://www.laurelparkflowood.com/>

Bridgewater

- 500 Avalon Way, Brandon, MS (10 miles down Lakeland, left at the Walmart (Hugh Ward Blvd)
- Approximately 20-25 minutes from UMMC... 14 miles from UMMC (allow extra time for traffic)
- 1, 2, and 3 bedrooms
- Gated, washer/dryer connections, pet friendly
- <http://www.liveatbridgewaterapts.com>

Ridgeland: Near Northpark Mall, Renaissance at Colony Park, numerous restaurants, and easy access to Madison.

Northpointe Village

- 6295 Old Canton Rd, Jackson, MS (near Country Club of Jackson entrance)
- Approximately 15-20 minute drive from UMMC
- 2 and 3 bedrooms townhomes
- Gated, washer/dryer connections, pet friendly,
- <http://www.apartmentguide.com/apartments/mississippi/Jackson/Northpointe-Village-Apartments/100021747/>

The Legacy

- 761 Rice Rd, Ridgeland, MS (near Natchez Trace Trails)
- Good location, about 15-20 minute drive to UMMC (allow extra time for traffic)
- 1, 2 and 3 bedroom
- Gated, washer/dryer connections, car wash facility, furnished apartments available, pet friendly with dog park,
- <http://www.liveatlegacyapts.com/>

The Pointe of Ridgeland

- 831 Rice Road, Ridgeland, MS
- Good location, about 15-20 minute drive to UMMC (allow extra time for traffic)
- 1, 2, or 3 bedroom
- Washer/dryer connections, fireplace in select units, 3-acre lake with walking trail, pet friendly
- <http://www.caseusa.com/apartments/ms/ridgeland/pointe-of-ridgeland/neighborhood>

The Van Mark

- 6811 Old Canton Rd, Ridgeland, MS
- Approximately 20 minutes from UMMC
- 1 bedroom/1 bath and 2 bedrooms/2 baths
- Gated, pet friendly with dog park, car wash facility,
- <http://www.lifeatvanmark.com>

The Reserve of Jackson

- 2501 River Oaks Blvd. Jackson, MS
- Only about 15-20 minute drive to UMMC
- 1, 2, or 3-bedroom
- Gated, covered parking, washer/dryer connections, fitness center, playground, pet friendly
- <http://www.liveatreservejacksonapts.com/>

The Arbors at Natchez Trace

- 715 Rice Road, Ridgeland, MS
- About 15-20 minutes to UMMC (allow extra time for traffic)

EVENTS

So much
to do!

Throughout the year

Fondren After 5 – Check out Fondren's gift shops, galleries, food and live music in the historic Fondren neighborhood the first Thursday of the month.

Music in the City – The Mississippi Museum of Art teams up with St. Andrew's Cathedral to bring free music one Tuesday per month.

New Stage Theater and **Broadway in Jackson** offer discounted tickets for students and there is free admission for the MS Museum of Art **Screen on the Green**.

July

Ridgeland Celebrates America Balloon Glow – one of the many 4th of July celebrations with hot air balloons, food, and music

August

Bright Lights, Belhaven Nights – Evening street festival in the Belhaven neighborhood, full of local artists, food vendors, and children's events

Mississippi Book Festival—This "literary lawn party" is a free event every August featuring author readings and signings.

September

Mississippi Symphony Orchestra – Indoor and outdoor performances

Celtic Fest – Art, music, and culture at the Agricultural & Forestry Museum

Gluckstadt's German Fest – Music, food, and draft horse wagon rides

Wells Fest—A family-friendly music festival in Jamie Fowler Boyll Park. The event also includes a pet parade and 5K run.

Crossroads Film Festival – A three day celebration of local, national, and international film, video, and documentaries

October

Mississippi State Fair – Amusement rides, concessions (fried Twinkies), music, and variety of agriculture and livestock competitions

Canton Flea Market— This arts and craft show held on the historic Madison County Courthouse in Canton, MS attracts up to 1000 artists and craftsmen from across the country.

Trustmark Red Beans & Rice Festival – Competition in downtown Jackson with proceeds going to Stewpot Community Services

Mississippi Blues Marathon and Half Marathon – Run or cheer on the participants. www.msbluesmarathon.com

November

Mistletoe Marketplace – This is the largest fundraiser in MS sponsored by the Jackson Junior League! A spectacular 3 day shopping event at the MS Trade Mart

Handworks Holiday Market –Arts and crafts show at the MS Trade Mart

December

Belhaven Singing Christmas Tree – A Belhaven college tradition since 1933 with a candlelight procession and a lighted "human" Christmas tree singing carols. Bring blankets and lawn chairs

City of Jackson Christmas Parade – Parade and tree lighting

January

Martin Luther King, Jr. Celebration & Parade – A full week of activities honoring MLK Jr.

February

Dixie National Livestock Show and Rodeo –Largest livestock event east of the Mississippi River

March

Hal's St.Paddy's Parade and Festival – A fun-loving, Irish-inspired celebration including dances, runs, concerts, and, of course, a parade

April

Taste of Mississippi – Culinary tasting with MS's finest food, music, and art

May

Zoo Brew – Beer sampling, music, wings, and the ZOO!

Pepsi Pops Concert – MS symphony orchestra at the Reservoir

Sante South – Music, food, and samplers from over 30 different wine distributors to benefit the Alzheimer's Association of Mississippi

FACULTY DIRECTORY

Kim Adcock, PharmD, CCRC

kadcock@umc.edu (601)984-2760

Education: Doctor of Pharmacy from University of Mississippi

Residency: Pharmacy Practice Residency at University of North Carolina at Chapel Hill, Pharmacy Specialty residency in Pediatrics at University of North Carolina at Chapel Hill

Areas of Interest: Pediatrics, neonatal medicine, cystic fibrosis, pedagogy, scholarship of teaching, and clinical research

APPE: Pedagogy and Research

Personal: My time outside of work is spent relaxing and having fun with my family, typically at the soccer fields!

Katie E. Barber, PharmD

kbarber@umc.edu (601)984-2061

Education: Doctor of Pharmacy at South Carolina College of Pharmacy

Residency: PGY1 at LSU in Shreveport, LA and PGY2 Infectious Disease Residency at the Detroit Medical Center in Detroit, MI

Fellowship: Infectious diseases pharmacokinetic/pharmacodynamic fellowship at Wayne State University in Detroit, MI

Areas of Interest: Infectious diseases, antimicrobial resistance, pharmacokinetics/pharmacodynamics, antimicrobial stewardship

IPPE: Specialty in Infectious Diseases

APPE: Specialty in Infectious Diseases

Practice Site Description: UMMC Adult Infectious Diseases Consult Service

Personal: Member of ACCP, SIDP, IDSA, and ASM. Hobbies include traveling, food, music, and sports.

Meagan Brown, PharmD, BCACP

mbrown18@umc.edu (601)984-2489

Education: Doctor of Pharmacy from Xavier University of Louisiana

Residency: Community Pharmacy Residency at University of Mississippi School of Pharmacy

Areas of Interest: diversity, equity and inclusion/health literacy/health disparities/rural health, and cardiometabolic diseases (especially diabetes)

IPPE: Ambulatory care

APPE: Ambulatory care

Practice Site Description: A federally qualified health center serving the underserved, uninsured or underinsured patients in Yazoo City. We have a wealth of resources including MTM services provided to patients who qualify for our service with a focus on diabetes, hypertension and dyslipidemia.

Personal: I enjoy traveling, reading, and cooking. I lead the Community Pharmacy Interest Group, and am the co-advisor on the Jackson Campus for NCPA and Kappa Psi. Also involved in NPhA (Annual Convention Planning Chair) APhA, MPhA, and Magnolia State Pharmaceutical Society.. Married to my pharmacist husband (Terrence) with three lovely kids- Joshua, Tristin, and Mason (and one on the way!).

Amanda Capino, PharmD, BCPPS

acapino@umc.edu (601)815-5512

Education: Doctor of Pharmacy from the South Carolina College of Pharmacy, University of South Carolina Campus

Residency: PGY1 Pharmacy Residency and PGY2 Pediatric Pharmacy Residency at the University of Oklahoma College of Pharmacy

Areas of Interest: pediatrics, critical care, hematology/oncology, health literacy, and medication adherence

IPPE: Neonatology

APPE: Neonatology, Academia

Practice Site Description: Neonatal Intensive Care Unit at the University of Mississippi Medical Center

Personal: I am a member of PPA, AACP, ASHP, MCCP, and MSHP. I love arts and crafts and watching sports.

Bridgett Chisolm, PharmD, BCPS

bchisolm@umc.edu (601)984-2807

Education: Doctor of Pharmacy from UM

Areas of Interest: Management, institutional practice

IPPE: Institutional

APPE: Institutional

Practice Site Description: UMMC central pharmacy

Personal: I am married with 3 children and live in Madison. I enjoy playing coed sports, watching my children participate in extracurricular activities, and spending time outdoors. I am an active member of Madison United Methodist Church

Courtney Davis, PharmD, BCACP

cdavis5@umc.edu (601)984-2485

Education: Doctor of Pharmacy from University of Tennessee, BS in Chemistry from Mississippi College

Residency: PGY-1 Community Pharmacy Residency at the University of Mississippi School of Pharmacy in Jackson, MS

Areas of Interest: Ambulatory care with a focus in diabetes, hypertension, dyslipidemia, and obesity

IPPE: Ambulatory care

APPE: Ambulatory care

Practice Site Description: The Diabetes Care Group in Jackson, MS., a private, multidisciplinary site with physicians, nurse practitioners, pharmacists, and CDEs (nurses, dietitians) specializing in diabetes management. The clinic cares for a fully insured population, which means students are exposed to many of the newer treatments in diabetes management.

Personal: I live in Madison, Mississippi and am married to Ben Davis. I have two boys, Elliot and Austin, and stepdaughter, Abby. I have been involved in MSHP in various roles over the years and currently serve as co-advisor for APhA ASP on the Jackson campus. During my free time I enjoy exercising, cooking, playing with my boys, and dining at the many great local restaurants Jackson has to offer.

Joshua W. Fleming, Pharm.D., BCACP

jfleming2@umc.edu (601)815-0604

Education: Doctor of Pharmacy from the University of Tennessee Health Science Center

Residency: PGY-1 Residency: Campbell University School of Pharmacy and Health Sciences, PGY-2 Ambulatory Care Residency: The Johns Hopkins Hospital

Areas of Interest: Diabetes, hypertension, care transitions, Cystic Fibrosis, and improving the medication use process

IPPE: Ambulatory Care

APPE: Ambulatory Care

Practice Site Description: I currently practice in the adult and pediatric cystic fibrosis clinics at UMMC. This clinic is a team-based service where patients are seen by a nurse, pharmacist, nutritionist, social worker, respiratory therapist, and a provider.

Personal: I am a native Mississippian originally from Booneville. I currently call Jackson home where I live with my wife, Dr. Laurie Fleming and our son Garrett.

Laurie Warrington Fleming, PharmD, BC-ADM, BCACP

lw Fleming@umc.edu (601)984-2738

Education: Doctor of Pharmacy from University of Mississippi in 2007, BSPS from University of Mississippi in 2005

Residency: PGY-1 Ambulatory Care Residency at University of Mississippi Medical Center in 2008

Areas of Interest: Ambulatory care (focused in diabetes, hypertension, dyslipidemia, and obesity)

Practice Site Description: Director of Professional Experience Programs and Experiential Affairs

Personal: I live in Jackson, MS and am married to Dr. Joshua Fleming. We are the proud parents of Garrett, a.k.a. "Little G", who loves to keep us on our toes. Professional organizations that I am involved with include MSHP, ASHP, MPhA, and APhA. I love traveling, spending time with family and friends, and I enjoy mentoring the future generation of pharmacists.

Seena L. Haines, PharmD, BCACP, FASHP, FCCP, FNAP, FAPhA, CHWC, RYT-200

shaines@umc.edu (601)815-0856

Education: Bachelors in Nutrition and Dietetics-Florida International University-Miami Florida 1996, Doctor of Pharmacy from Nova Southeastern University-Ft. Lauderdale 2000

Residency: Ambulatory Care Specialty Residency at Nova Southeastern University

Other Credentials: Certified Health and Wellness Coach, Certified Yoga Practitioner, Certified Macro Nutrition Coach with NASM and AFAA, pursuing certification in meditation and mindfulness based practices.

Personal: I serve on committees and elected positions in AACP, ASHP, ACCP, APhA. My husband and I have 1 son, Ian. We love to travel, especially internationally. We are all foodies, including Ian! Other hobbies include: hot vinyasa yoga, mosaic crafts, co-author and creator of the wellbeing elixir newsletter (www.wellbeingelixir.com)

Stuart T. Haines, Pharm.D., BCPS, BCACP

sthaines@olemiss.edu (601) 815-1845

Education: BS in Pharmacy – Massachusetts College of Pharmacy; PharmD – University of Texas at Austin; Master Certificate Instructional Design – University of Maryland Baltimore County

Residency: PGY1 Hospital Pharmacy - Brigham and Women's Hospital – Boston, MA; PGY2 Ambulatory Care – Audie Murphy VA Medical Center – San Antonio, TX

Areas of Interest: Ambulatory care pharmacy practice models, treatment of chronic diseases, instructional design, wellbeing & mindfulness

APPE: Professional Development

Personal: Very involved with professional organizations and have served in several national leadership positions. Enjoy cooking, hiking, travel, and (occasionally) woodworking. My wife (Seena Haines) and I read, learn, and blog about wellbeing and resilience in spare time.

Elizabeth Hood, PharmD

ehood@umc.edu (601) 815-8651

Education: Doctor of Pharmacy from the University of Mississippi

Residency: Pharmacy Practice residency at University of Mississippi Medical Center

Areas of Interest: Anticoagulation, Heart Failure and Heart Transplant

Practice Site Description: UMMC Anticoagulation Clinic, Advanced Heart Failure/Transplant Clinic

Personal: I love to travel and experience new things.

Dylan Lindsay, PharmD, BCACP, CDCES

dilindsay@umc.edu (601) 496-9022

Education: Doctor of Pharmacy and B.S. in pharmaceutical sciences from the University of Mississippi; B.S. in biology from Millsaps College

Residency: Community (PGY-1) and ambulatory care (PGY-2) residencies at the University of Mississippi School of Pharmacy

Areas of Interest: Outcomes reporting and quality management, patient advocacy, managed care, geriatrics

Practice Site Description: University of Mississippi Medical Center specialty pharmacy program, accreditation and quality management (multi-site, administrative/clinical split)

Personal: I am a member of MPhA, MSHP, ACCP, and NASP. I enjoy cooking, gardening, movies, home improvement, and traveling.

Paula Malinowski, PharmD

pmalinowski@umc.edu (601)815-6328

Education: Doctor of Pharmacy, BS Pharmaceutical Sciences from UM

Areas of Interest: Solid Organ Transplant

APPE: Abdominal Transplant Clinic (kidney, pancreas, liver)

Practice Site Description: Students will be working with kidney, pancreas, and liver transplant patients. They will be involved with both pre- and post-transplant evaluations at the outpatient Abdominal Transplant clinic. Activities will include medication reconciliation, medication education, patient counseling, monitoring labs, making dosage adjustments and medication prior authorizations. The post-op clinic is a surgical clinic so students should be aware that they may be present during wound vac or dressing changes. (Students will not assist, just observation.) The students will work closely with the preceptor and multidisciplinary transplant team. The weekly schedule will vary depending on clinic schedule. Most weeks will consist of 3 days on campus clinical work and 2 days off campus independent research.

Personal: Married to Scott Malinowski who is also a pharmacist and works with the School of Pharmacy.

Scott S. Malinowski, PharmD

smalinowski@umc.edu (601)815-1934

Education: Doctor of Pharmacy from University of Florida in 1993

Residency: Pharmacy Practice Residency at Regional Medical Center in Memphis, TN

Areas of Interest: Ambulatory care, clinical informatics, large database analysis, nutrition support, fluids and electrolytes, and heart failure

IPPE: Specialty

APPE: Research

Practice Site Description: Community-Based Research Program

Personal: I enjoy photography, videography, woodworking and playing the guitar and piano. I am married to Paula Malinowski. We have two children and a dog.

Andrew Mays, PharmD, BCNSP, CNSC

amays@umc.edu (662)404-4949

Education: Doctor of Pharmacy from the University of Mississippi in 2012

Residency: Pharmacy Practice Residency at North Mississippi Medical Center in Tupelo, MS

Areas of Interest: Nutrition Support, Critical Care

IPPE: Institutional

APPE: Nutrition Support

Practice Site Description: University of Mississippi Medical Center

Personal: I am a Past-President for MSHP and MSSPEN. I currently serve as an ASHP Delegate and on the Council on Therapeutics. I am also Co-Chair for ASPEN's PN Safety Committee and serve on ASPEN's Membership and Clinical Practice Committees.

Katie McClendon, PharmD, BCPS, FCCP

kmccclendon@umc.edu (601)984-2638

Education: Doctor of Pharmacy from the University of South Carolina-Columbia

Residency: Primary Care residency at St. Louis John Cochran VA/St. Louis College of Pharmacy

Areas of Interest: Diabetes, obesity, and women's health

Practice Site Description: Flowood Family Medical Center

Personal: I am a member of AACCP, ACCP, MSHP. I love to travel and read.

Alex R. Mills, PharmD, BCACP, AAHIVP

armills@umc.edu (601) 815-5211

Education: Doctor of Pharmacy from Purdue University College of Pharmacy - West Lafayette, IN

Residency: PGY1 Community-based: Walgreens/Purdue, PGY2 Ambulatory Care: University of Mississippi School of Pharmacy

Areas of Interest: HIV, LGBTQ+ Health, Cardiometabolic Disorders

IPPE: Ambulatory Care III

APPE: Ambulatory Care - HIV/LGBTQ+

Practice Site Description: Adult Special Care Clinic, GA Carmichael FHC, UMMC "TEAM" Clinic

Personal: I am a member of ACCP, ASHP, APhA. I love traveling and my dog, Wiley

Ha Phan, PharmD,

hkphan@umc.edu (601)815-8079

Education: Doctor of Pharmacy from University of Maryland Baltimore

Residency: PGY1 Community Pharmacy at the Johns Hopkins Home Care Group, PGY2 Ambulatory Care Pharmacy at the University of Mississippi School of Pharmacy

Areas of Interest: Transitions of care, chronic disease management (diabetes, HTN, DLD, COPD, Asthma), women's health, outpatient pediatrics, ambulatory care service development

IPPE: Ambulatory Care

APPE: Ambulatory Care

Practice Site Description: Grant's Ferry Med/Peds clinic and Pediatric Endocrinology at the Specialty Clinic

Personal: Active within APhA and I love to travel and try new foods, although I am a very picky eater. I like to think I am a sophisticated picky eater.

Jay Pitcock, PharmD, BCPS

jpitcock@umc.edu (601)984-2794

Education: Doctor of Pharmacy in 1999, BS in Pharmaceutical Science UM in 1997, Board Certified Pharmacotherapy Specialist

Residency: Pharmacy Practice Residency at Central Arkansas Veterans' Healthcare System

Areas of Interest: Cardiovascular disease, psychiatry

IPPE: Ambulatory care

APPE: Ambulatory care

Practice Site Description: Main practice site is the Heart Failure Disease Management Clinic. Main duties include, but are not limited to, medication reconciliation, medication education, lab monitoring and follow-up, help with disease management, compliance enhancement, etc. I also manage all the lipids for the patients in the clinic.

Personal: My wife, Margaret Pitcock, is a clinical pharmacist and the residency director at the Jackson VA. I have 2 kids: Georgia and Emery. I am a member of APhA (Jackson campus advisor for UM SOP chapter), MPhA (member of Membership Committee), ASHP, MSHP, ACCP, and MCCP. My hobbies include playing golf and duck hunting.

Daniel Riche, PharmD, FCCP, BCPS, CDE, ASH-CHC, CLS

driche@umc.edu (601)984-2640

Education: Doctor of Pharmacy from University of Louisiana at Monroe

Residency: St. Louis College of Pharmacy/Mercy Family Medicine

Areas of Interest: Cardiometabolics

Areas of Interest: Cardiometabolics

IPPE: Ambulatory care

APPE: Ambulatory care research elective

Practice Site Description: Ambulatory Care disease state management areas include diabetes, dyslipidemia, thyroid disease, hypertension, heart disease, vitamin D deficiency, fatty liver, testosterone deficiency, and dietary supplement research. Primary site is the Cardiometabolic Clinic with collaborative prescriptive authority at the University Medical Pavilion.

Personal: Wife, Krista, and daughters, Hannah Lee and Sarah Beth.

Krista Dale Riche, PharmD, BCPS-AQ Cardiology

kriche@stodom.com (601)200-6032

Education: Doctor of Pharmacy from Ohio Northern University

Residency: Pharmacy Practice Residency at Johns Hopkins Hospital; Cardiovascular Therapeutics Fellowship at Hartford Hospital and the University of Connecticut

Areas of Interest: Cardiology and Cardiovascular Surgery

IPPE: Specialty

APPE: Cardiology

Practice Site Description: St. Dominic Hospital Cardiac Intensive Care and Cardiovascular Recovery Units

Personal: I'm married to "the other Dr. Riche". I enjoy playing with my daughters (Hannah Lee and Sarah Beth) and our two dogs (Jazzy and Lucy), traveling, and cooking.

Leigh Ann Ross, PharmD, BCPS, FCCP, FASHP, FCCP, FAPhA, FNAP

laross@umc.edu (601)984-2481

Education: Doctor of Pharmacy from UM; Bachelor of Business Administration from the University of Mississippi with an emphasis in Finance

Residency: ASHP Accredited Pharmacy Residency in Primary Care at the University of Mississippi Medical Center

Areas of Interest: Leadership Development, Advocacy, Population Health, Ambulatory Care, Cardiometabolic Disease

APPEs: Leadership and Advocacy in Pharmacy

Professional Service: ACCP President-Elect, AACP, APhA, ASHP, APHA, MPhA, MSHP, MCCC, MRHA, MPHA

Personal: I am originally from Pontotoc, MS. Second generation pharmacist (Father was an independent community pharmacist; Brother is an institutional pharmacist). Married to Brendan Ross. Cockapoo puppy – Mattie Reese. Member of Northminster Baptist Church. I love pharmacy and especially enjoy working with professional organizations. I enjoy playing tennis, pickleball, and golf, watching football and tennis (especially Roger Federer), traveling, and trying new restaurants.

Justin Sherman, PharmD

jsherman@umc.edu (601)984-2625

Education: Doctor of Pharmacy from the University of Tennessee, Masters of Combined Science and Bachelor of Science from the University of Mississippi

Residency: Primary Care Residency at Methodist Hospital, Memphis, TN

Areas of Interest: Ambulatory care topics including diabetes, men's health, smoking cessation, cardiometabolic, and educational research

IPPE: Ambulatory Care

APPE: Ambulatory Care

Practice Site Description: UMMC Lakeland Family Medical Center - Patients are referred to MTM services under my direction for cardiometabolic disease management, including diabetes, heart failure, hypertension, and dyslipidemia. Additionally, MTM services are provided for men's health, smoking cessation, anticoagulation, and COPD.

Personal: I enjoy spending quality free time with my daughter, writing suspense fiction, and "catching up" on the alternative music scene at music festivals such as Voodoo and Austin City Limits.

Brad Somers, PharmD

zsomers@umc.edu (601)984-2946

Education: Doctor of Pharmacy from Samford University

Residency: PGY-1 Pharmacy Practice Residency at University of Mississippi Medical Center

Areas of Interest: Nutrition support, GI related disease, Transitions of Care, Specialty Pharmacy, Pharmacy Administrative Activities

IPPE: Institutional

APPE: Institutional Administration

Practice Site Description: University of Mississippi Medical Center

Kayla R. Stover, PharmD, BCIDP, BCPS

kstover@umc.edu (601)984-2615

Education: Doctor of Pharmacy from Ohio Northern University, Board Certified Infectious Diseases Pharmacist

Residency: PGY-1 Pharmacy Practice Residency at West Virginia University Hospitals; PGY-2 Specialty Infectious Diseases Residency at University of Mississippi Medical Center

Areas of Interest: Infectious Diseases

IPPE: Specialty Infectious Diseases

APPE: Elective/Specialty Infectious Diseases

Practice Site Description: The Infectious Diseases (ID) Division at UMMC. I round with the ID consult team and am part of the Antimicrobial Stewardship Program (ASP). Students on rotation will round with the ID service at UMMC. The ID service is a consult-based team that evaluates patients with a known or suspected infectious process. During the PY3 year, students will review charts and participate in patient discussions in order to gain experience in ID. During the PY4 year, students will serve as part of the interdisciplinary rounding adult ID consult team.

Personal: I enjoy cooking, travel, sports, reading, and spending time with my family. I am a member of AACP, ACCP, ASHP, IDSA, MCCP, and SIDP.

Stephanie Tesseneer, PharmD, BCCCP

stesseneer@umc.edu (601) 815-4311

Education: Texas Tech University Health Science Center - School of Pharmacy

Residency: University of Mississippi Medical Center

Areas of Interest: Emergency Medicine and Critical Care

Practice Site Description: Adult Emergency Department and rounding with one of the Medical ICU teams

Gary D. Theilman, PharmD

gtheilman@umc.edu (601)984-2616

Education: Doctor of Pharmacy from University of Maryland in 1992, BS in Pharmaceutical Sciences from University of Maryland in 1989

Residency: Pharmacy Practice Residency and Critical Care Residency at University of Kentucky

Areas of Interest: Instructional technology

APPE: Pedagogy with technology

Jamie Wagner, PharmD, BCPS

jwagner@umc.edu (601) 815-1933

Education: Bachelor of Science in Marine Biology from Florida Institute of Technology (2007), Doctor of Pharmacy from Midwestern University Chicago College of Pharmacy (2012), Graduate Certificate in Public Health Practice from Wayne State University School of Medicine (2015)

Residency: PGY1 pharmacy practice residency at Henry Ford Hospital in Detroit, MI (2012-2013)

Fellowship: Infectious Diseases Outcomes Fellowship at Wayne State University / Henry Ford Hospital in Detroit, MI (2013-2015)

Areas of Interest: optimizing antimicrobial use in hospitalized patients (antimicrobial stewardship), Gram-negative resistance, risk factors for infections, creative methods for optimizing stewardship messaging

IPPE: Inpatient Antimicrobial Stewardship

APPE: Inpatient Antimicrobial Stewardship

Practice Site Description: St. Dominic Hospital, Antimicrobial Stewardship Service

Personal: I enjoy training for triathlons, lifting weights, and reading books for fun,

Trey Warnock, PharmD MSc

hwarnock@umc.edu (601) 984-2060

Education: PharmD - University of Mississippi School of Pharmacy (UMSOP) MSc - University of Kentucky College of Pharmacy (UKCOP)

Post-Graduate Training: Graduate School at UKCOP in their Clinical and Experimental Therapeutics Program focusing on Immuno-oncology

IPPE: Research Rotation at UMMC

APPE: Research Rotation at UMMC

Practice Site Description: Investigational Drug Services at the University of Mississippi Medical Center (UMMC). The focus of the rotation will be on the management and accountability of investigational drug products, as well as fostering skills in medical information steward in collaboration with various other areas of research at UMMC.

Personal: I went to Ole Miss for my undergraduate and PharmD. After I graduated with my PharmD in 2017, I went on to UKCOP to pursue a graduate degree as a part of their Clinical and Experimental Therapeutics program. The focus of my degree was on novel biomarker discovery for immunotherapy in Non-Small Cell Lung Cancer. Apart from my time as a graduate student and teaching assistant, I also worked at the University of Kentucky Health Center as a clinical staff pharmacist in oncology. Upon completion of our post-graduate training, my wife and I moved back to Mississippi, where we both now work at UMMC. If you are interested in taking my rotation, please feel free to reach out, and I would be happy to carve out some time to talk with you about opportunities with our service.

Mary Joyce B. Wingler, PharmD, BCIDP

mwingler@umc.edu (256) 496-0332

Education: Doctor of Pharmacy from Auburn University's Harrison School of Pharmacy

Residency: PGY1 – East Alabama Medical Center (Opelika, AL), PGY2 in Infectious Diseases – University of Mississippi Medical Center

Areas of Interest: Antimicrobial stewardship, rapid diagnostics, and quality improvement

IPPE/APPE: Infectious Diseases/Antimicrobial Stewardship rotation

Practice Site Description: UMMC – Adult and Pediatric Stewardship.

Personal: Member of ASHP, SIDP, MAD-ID, and MSHP. Avid audiobook listener and British TV show watcher (Great British Bake Off, Doctor Who), hanging out with my dog, hiking, and traveling.
